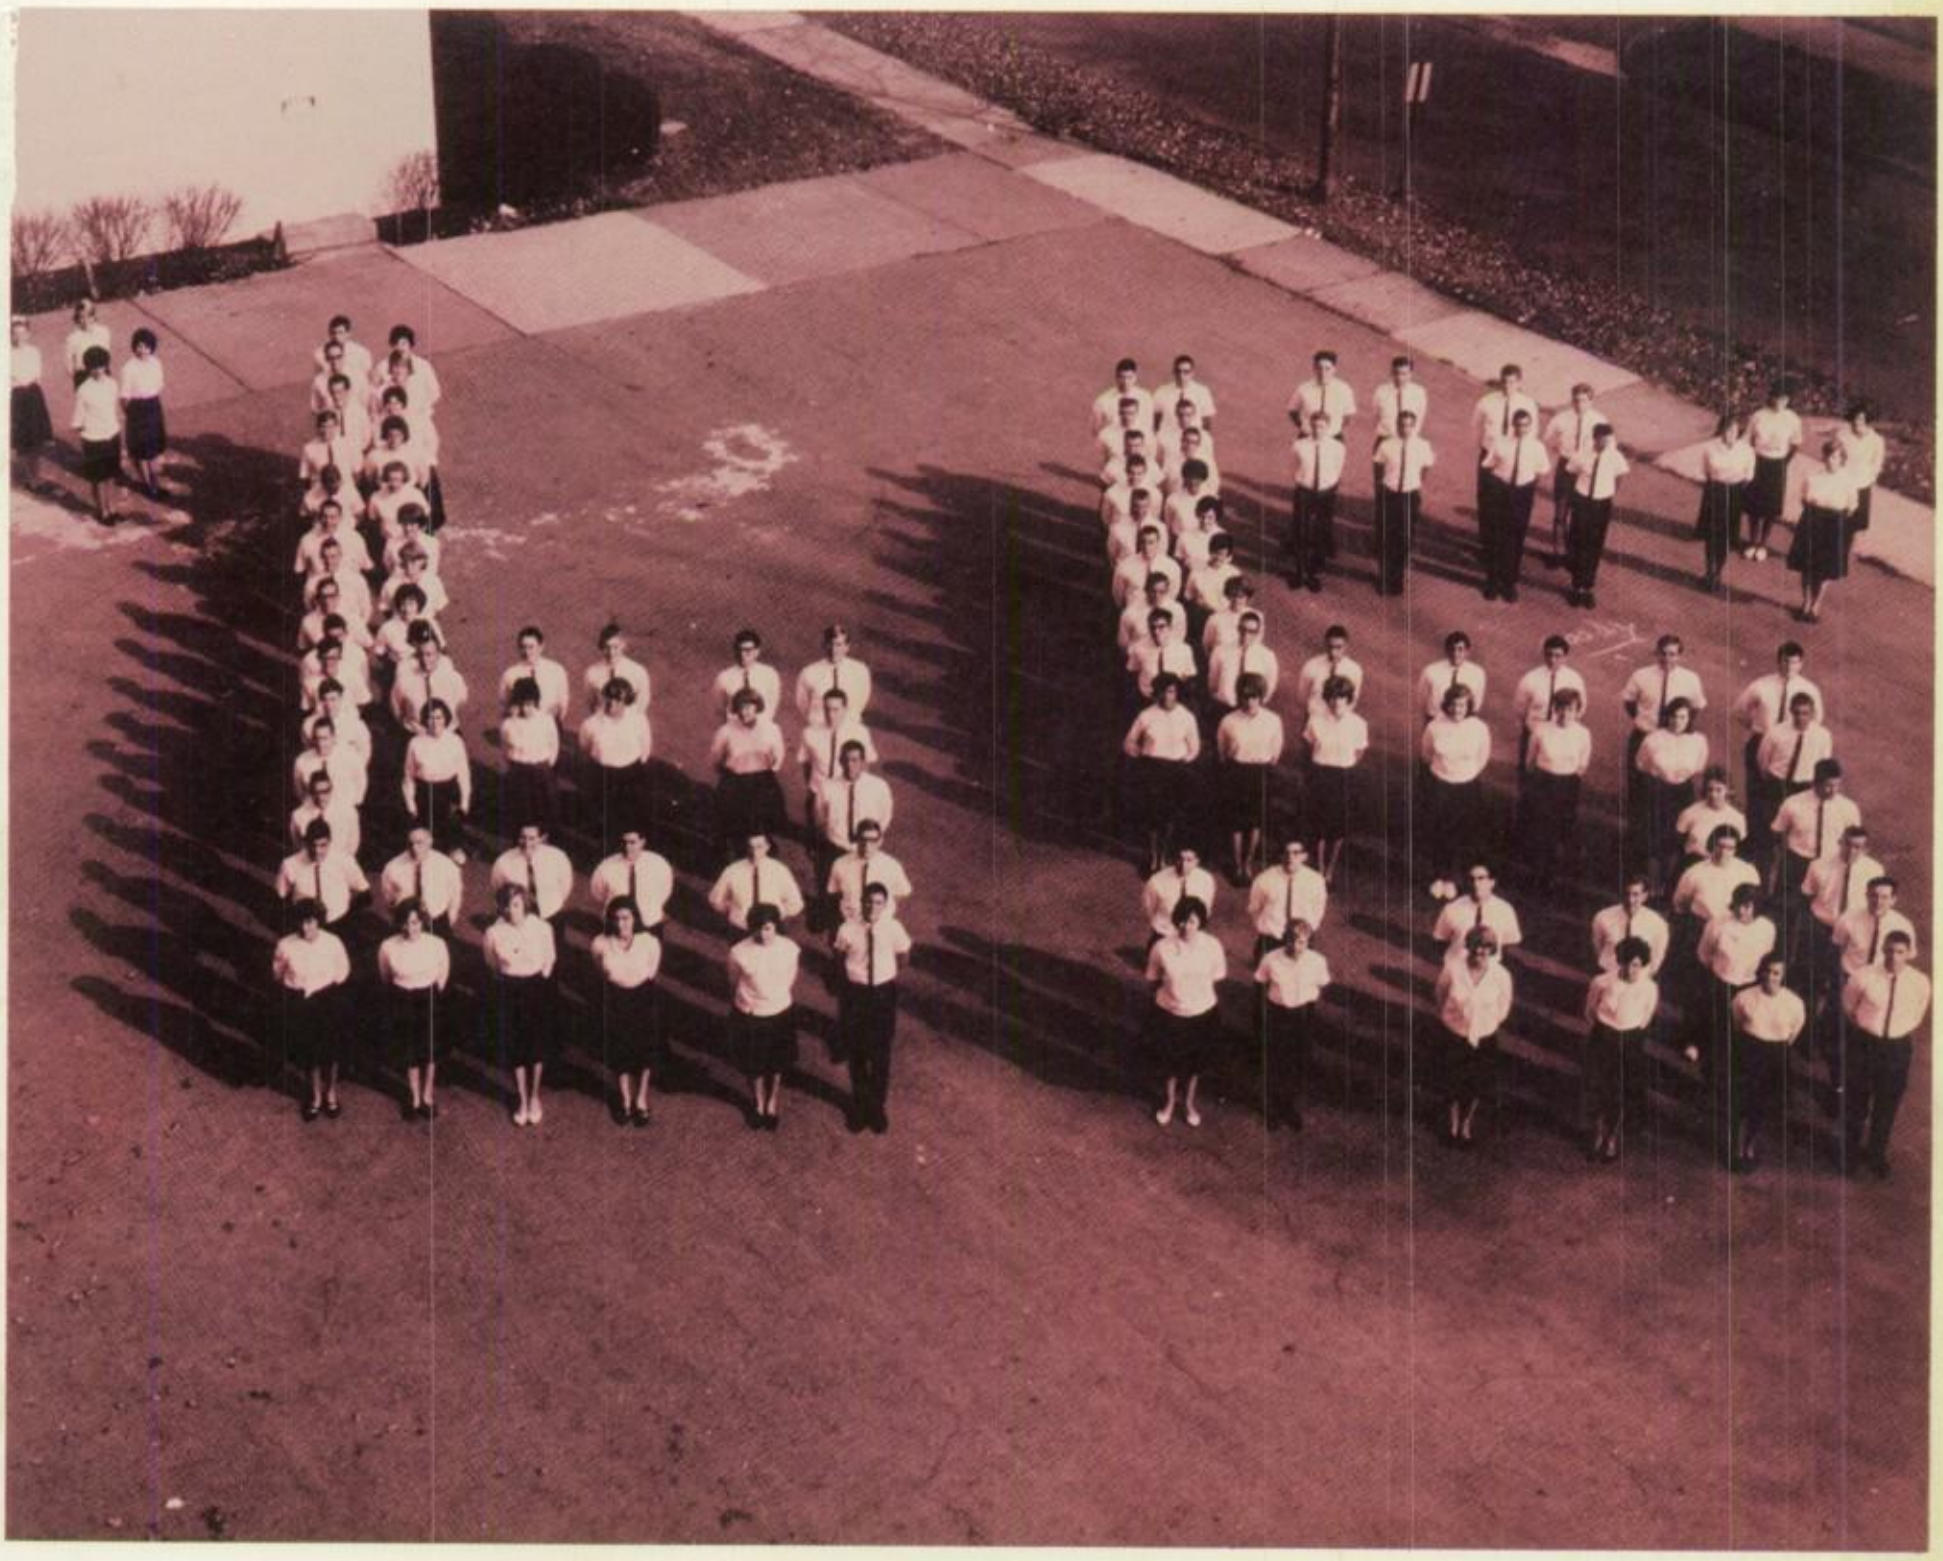
CLIPPER

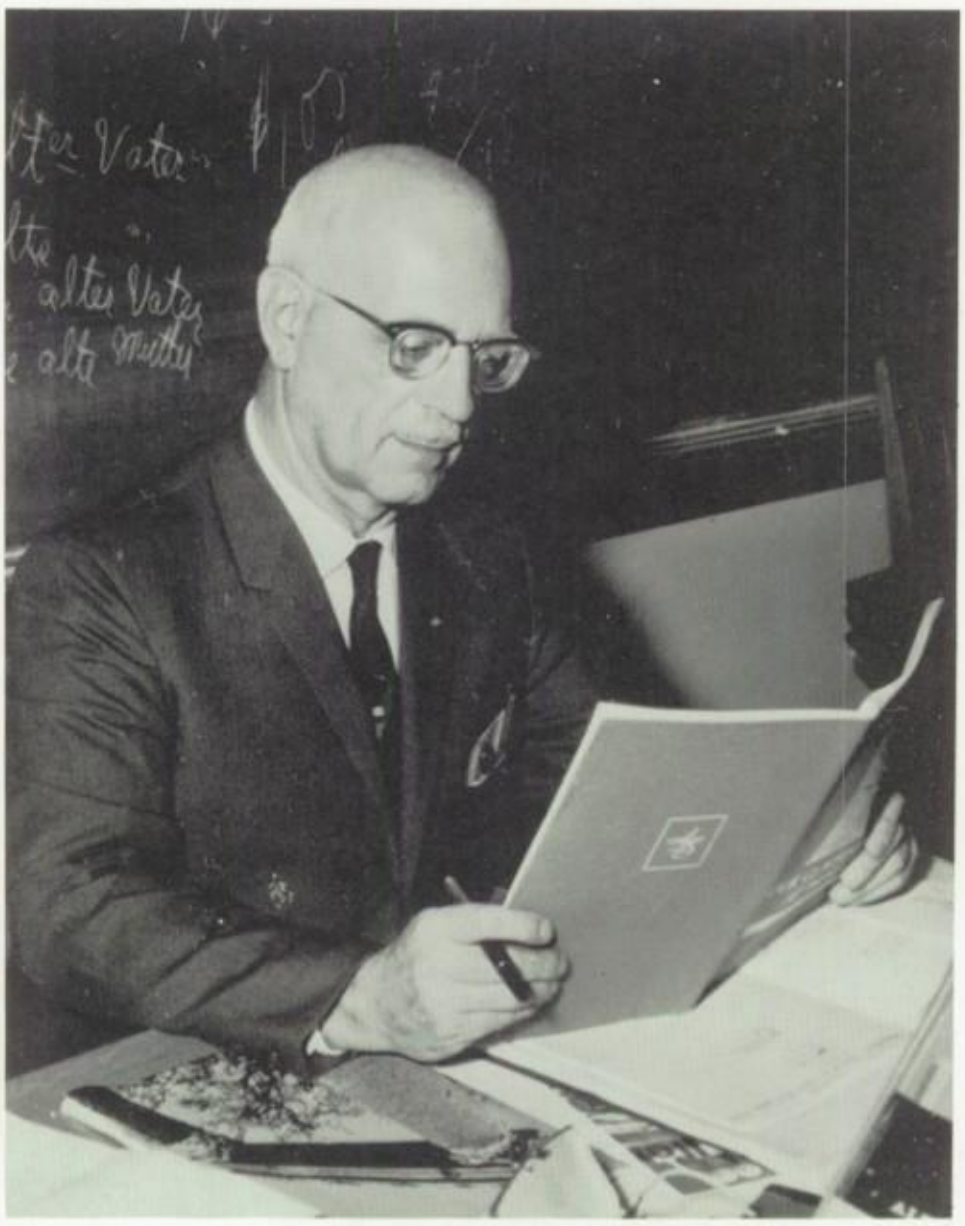
The Senior Class of Columbiana High School

presents

The Clipper

of nineteen hundred and —





We, the Senior Class of 1965, take considerable pride and great pleasure in dedicating our annual to Mr. E. Gordon Warner.

Under his supervision, we held a mock election in the fall which enabled us to become better acquainted with the responsibilities of voting.

All his life Mr. Warner has taken a deep, active interest in many phases of government and social science and he is able to impart his knowledge to his students.

His sense of humor, his deep understanding of human nature, and his rich, varied experiences outside of the academic field all go toward making his class worthwhile.

We leave you, Mr. Warner, our sincere thanks and best wishes.

Class History

These are the eventful experiences that the Class of 1965 will always treasure.

After the most gruelling and torturous initiation "Anyone" at C.H.S. has ever gone through, we elected Gary Troll as our first president. Under his able leadership our class organized the FIRST freshman variety show in C.H.S. history.

As upperclassmen our most fun-filled sophomore activity was the biology trip to Pittsburgh. Eric Keck led us through that scandalous year. We remember it well!

Under the leadership of Rich Snyder we had many money making projects in our junior year, such as junior refreshment stand, car washes, and selling candy. The junior play, "The Happiest Millionaire," was a great success. The arrival of our round rings in December set a new trend in style. Our tireless hours spent in preparing for the junior-senior prom "Sayonara" paid off when it received an honor for the second best prom in the district.

We returned from our usual summer vacation to find ourselves as high and mighty seniors. We elected John Lake our president. Remembering our trying initiation we had hopes of seeking revenge but . . . Our class began organizing the annual and publishing the BEACON among our various activities such as the play, prom, pictures, cards, class day, and New York Trip. We climaxed our year with Baccalaureate and finally Commencement.

GARY TROLL - Gary started the season late due to a broken thumb, but he came on fast showing good speed and agility.

JOHN SHASTEEN - John, a senior, was a defensive specialist. He played many positions on defense, filling them quite well. John received the Mayhem Axmurder Award four times during the season making him the toughest man on defense.

RICH SNYDER - Rich served as our guard on both offense and defense. Rich always played his position with determination and zeal.

JOHN LAKE - John managed his position as tackle with great determination. As a defensive end stopped many an off tackle play. John received the award for best offensive lineman.

PAUL LONG - Paul as our offensive center turned in an excellent job of blocking and twill won the best offensive lineman award.

KIRBY ZELLERS - Kirby was one of our best defensive backs and also an excellent receiver. Kirby was one of the few ends who could run well after he caught the ball. His fine defensive play and pass receiving will be missed greatly.

RICK ISTNICK - as a Junior this year Rick did a fine job at quarterback. His fine passing and good ball-handling kept the offense going. He should guide next year's team to a fine year.

DAVID ROWLAND - Dave, only a junior, showed his ability by winning a first string position as offensive guard. As a defensive tackle he proved he was hard to move. Dave received awards for best offensive lineman and best two-way performer.

HERB BORTNER - Herb just a junior, showed the stuff it takes in filling the position as offensive guard. On defense he proved himself just as capable. Herb won several awards both on offense and defense.

DICK KELLER - Dick was another junior who came on strong for us this year. Dick took over both an offensive and defensive position and became our most efficient player. His all-around ability will be a great help next year.

JACK HAWKINS - Jack was a terror at defensive end and seemed right at home in the backfield where his strength enabled him to make many fine runs. Jack was also our punter and his fine punts and quick kicks often put the enemy in a bad position. Only a junior he should be a standout next year.

DAN OLIVER - Dan was injured early in the season and saw only limited action, but he can be looked for to hold a starting position on next year's team.

DOUG KNISLEY - Doug was a capable replacement at end this year but his mainstay was defense. He should be a tough linebacker for next year.

JOHN NEWELL - John was only a sophomore this year but held down the long side end position. His fine blocking and pass receiving will be a great help in the next two years.

DALE YOUNG - Dale is another of our many fine juniors and played alot for us at end this year. Dale should be a big help to next year's team.

RICK DETWILER - Rick saw a lot of action this year on offense and defense. He still has two years to play and should be a help to our future teams.

DAVE WEBER - Dave was another sophomore and played defensive tackle. Dave should be a big factor in our defensive line in the next few years.

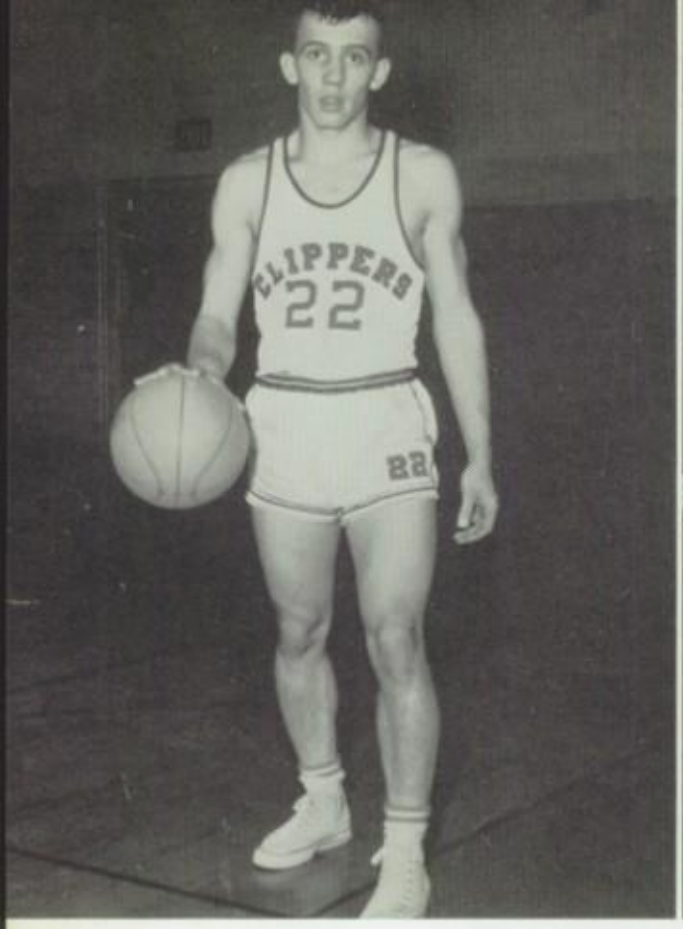
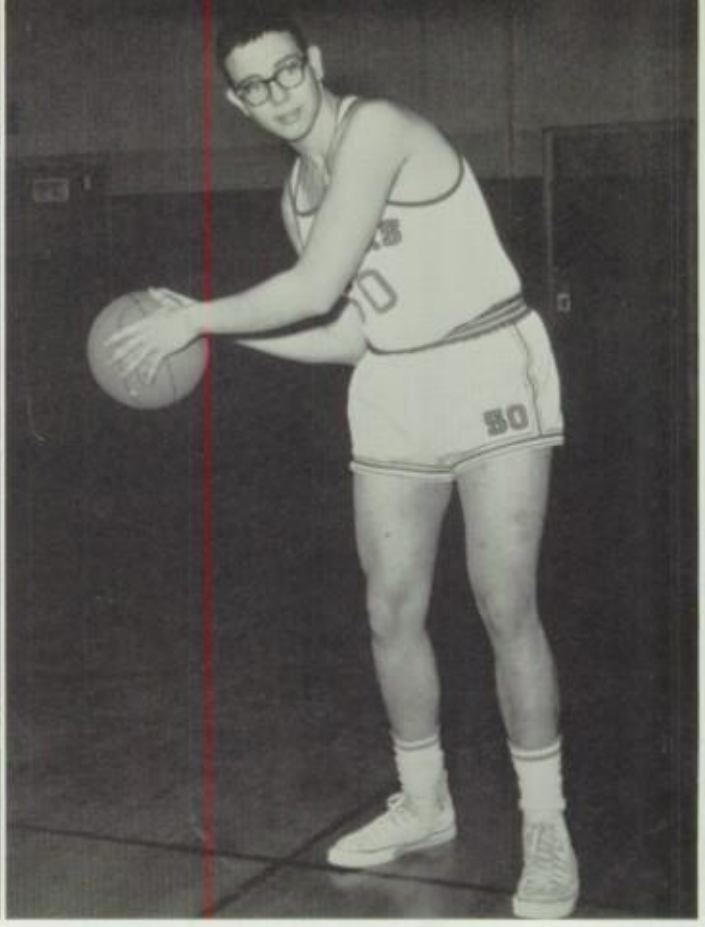
Action!





ALAN WISE: Al, a senior, and our captain is the only returning letterman from last year's team. He has proven himself a great asset to our Clipper team.

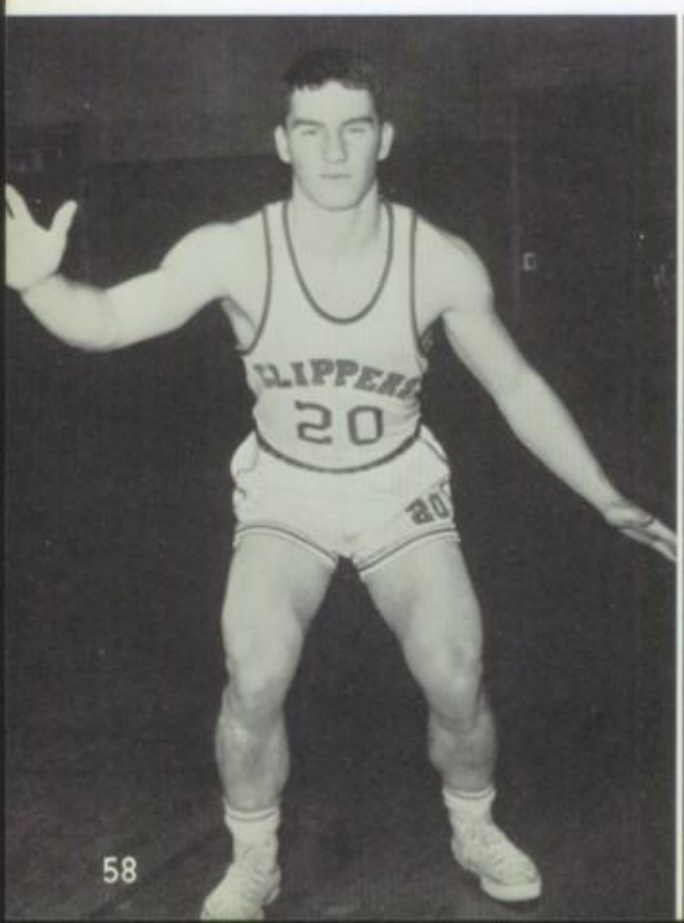
ERIC KECK: Eric sometimes has a problem deciding on which hand to shoot with, but he can use both of them with great accuracy.

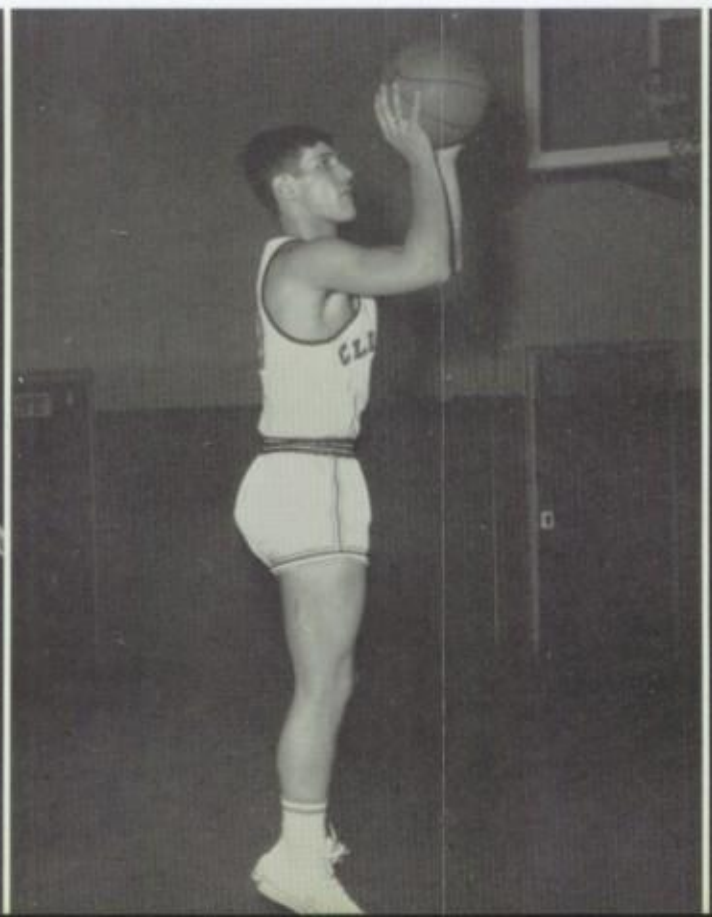
JIM LEONARD: Leo, a senior pivot, is one of the taller members of our team. Jim is a dead shot around the key.

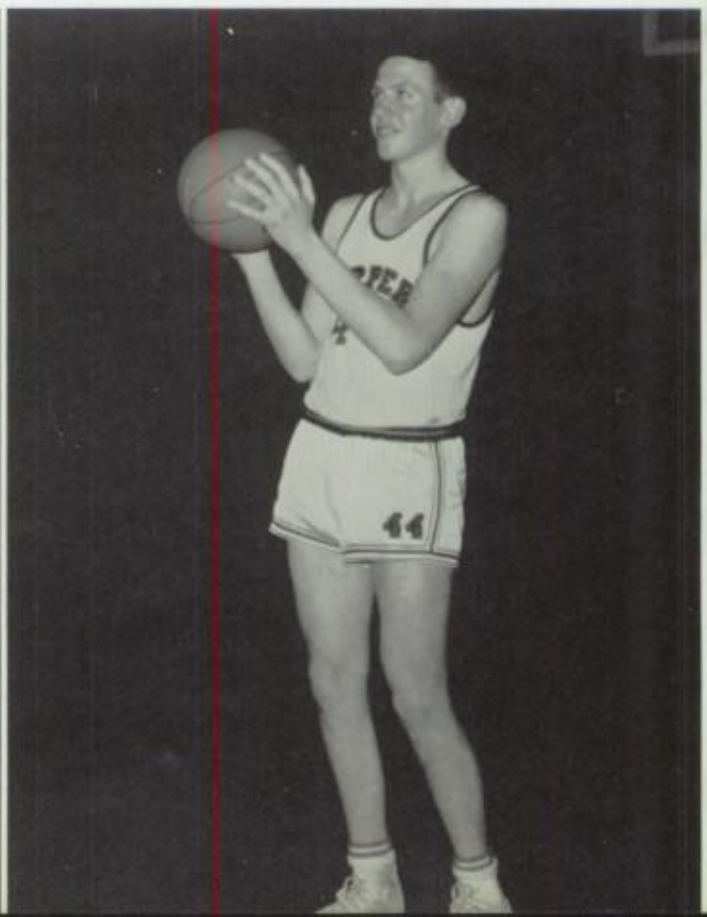
GARY TROLL: Gary, a senior guard, although he is small, makes up for it in the way he hustles. He has a good shot from anywhere.

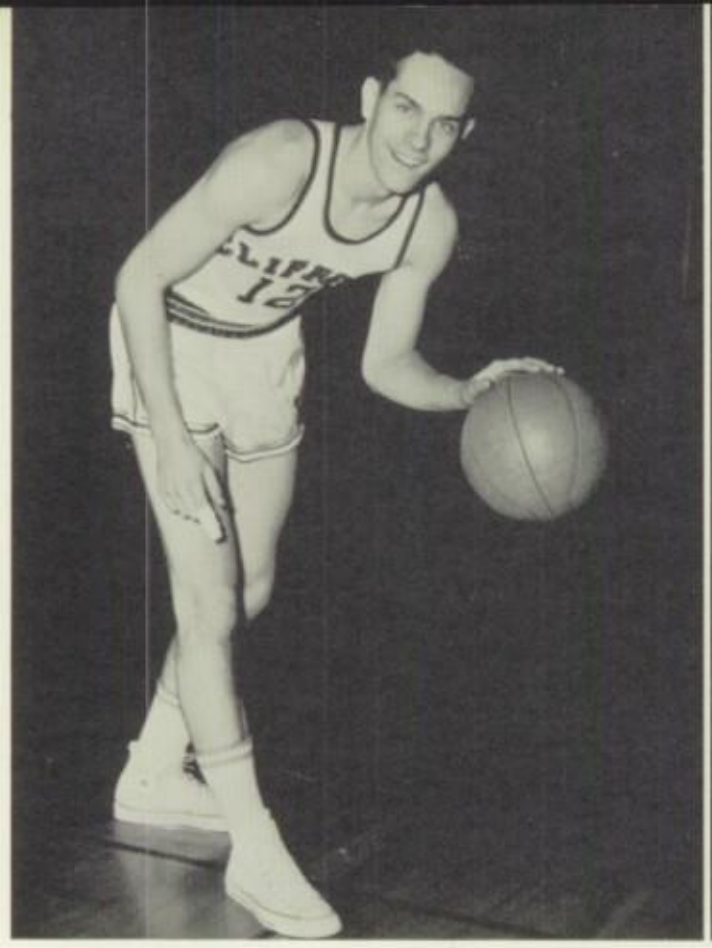
KIRBY ZELLERS: Kirby, a senior, was a fine shot and could play many positions as well. Kirb's all-around ability was a geat help to the team.

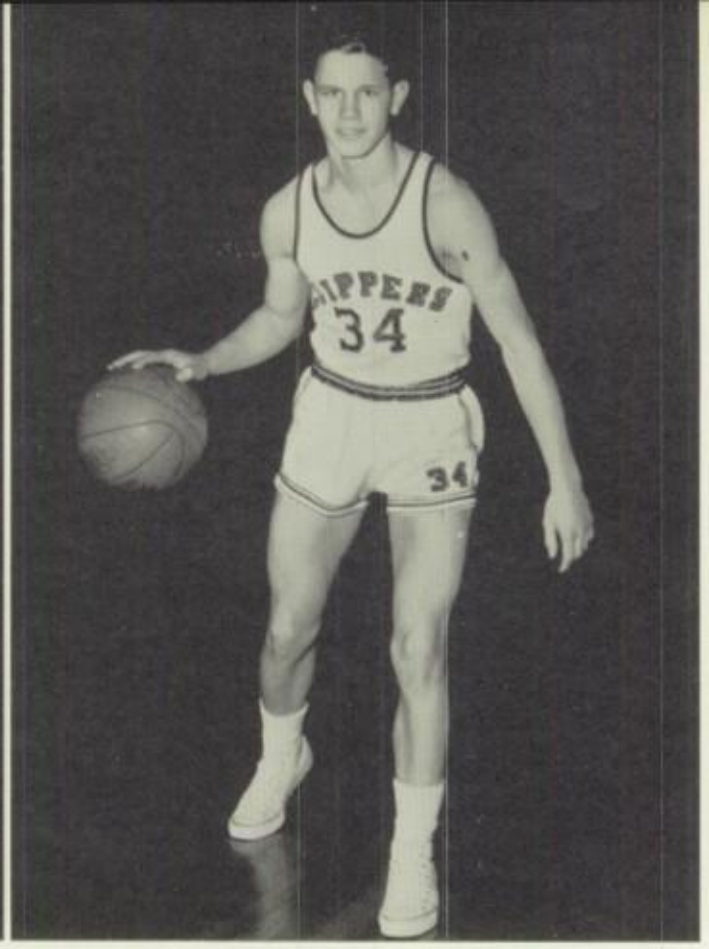
EDDIE SCHULZ: Eddie, senior pivot, really came through this year. He has contributed greatly to our victories with his rebounding and shooting.











JIM DICKENS: Skin, a senior guard, is one of the better shots. His left-handed set shot doesn't miss the mark too often.

DICK KELLER: Dick was another of our fine juniors. Dick's quick weaves enabled him to score many points and to stop many of the opponents' scoring threats.

JACK HAWKINS: Hawk, a junior, plays the pivot. When the play starts getting rough under the boards, Jack's always there getting the rebound or putting in the all-important two points.

JIM MURPHY: Although only a junior, Murph was our best scorer and that with an uncanny accuracy. Jim's point-getting ability should be a great help next year.

RICK ISTNICK: Rick started slow this year but came on strong to win a starting position. Only a junior, Rick was our best playmaker and led the team in assists and stolen balls.

YOUTH AND THE WORLD

"There is many a battle that's yet
to be won,
There is many a glorious deed to
be done.
The world is still young! For the
youth at its door
There are tasks some shall do
never dreamed of before.
It is not an old world, worn and
wrinkled and gray,
It's a world that is being reborn
every day."
